The cold weather is going to be with us now for a few months, so please check your furnace filter. This will help your furnace run cooler and cleaner. If you're going to have a fire in your wood stove or fireplace please have your chimney cleaned and inspected for your safety. Also, please check your CO detector and smoke alarm regularly and change the batteries if you haven't already done so. We do make house calls, but prefer not to.

From the Desk of.....

Joseph A. Rizk, Supervisor

As I look back at the year 2015, besides the time flying by, it was a very good year.

2016 looks very promising with some new businesses coming into Vienna Township and construction of single family residences are on the increase for the first time in 5 or 6 years.

We are entering an election year and that brings with it increased activity in the township offices with absentee ballots and voter registration.

The year 2016 will bring new and revised township ordinances that will be enacted and enforced. Some of these will deal with garage sales and vehicle and rv storage as well as grass cutting and other blight issues. The township has developed partnerships with some of the local churches and will involve them when needed for assistance in helping those less fortunate.

I am looking forward to assisting you at the township to the best of my ability. I remind you that I am available by appointment and would like some information as to the purpose when you leave a message. That will enable me to answer your question more efficiently.

From the Desk of.....

Cindy Bryan, Clerk

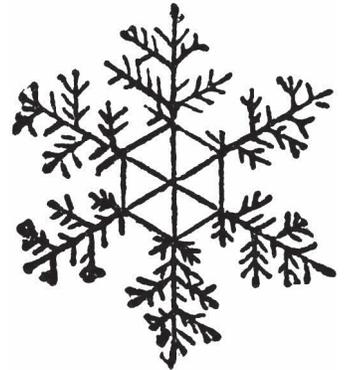

With the hustle and bustle of the holiday season now behind us, Clerks across the State and Nation are beginning preparations for a very busy election year. We have the potential for 4 elections this year with the first of these occurring on March 8th, the Presidential Primary. This can be a somewhat confusing election for many voters and I will attempt to bring some clarity to it by providing information from the Michigan Bureau of Elections. This election is a "closed primary" just as it was in 2012 and as outlined in Michigan Election law, requires the voter to choose a Republican, Democratic or possibly a no-Presidential Primary ballot if we have any local proposals on the ballot. While a voter must select a specific party ballot, there is no political party registration in Michigan's voter registration system and therefore the ballot selection made by the voter, and only the ballot selection, will be public information after the election. Besides the candidates listed on the ballot voters will also have the option to vote "uncommitted" for that political party. For additional information in regards to the Presidential Primary please visit the Michigan Bureau of Elections website. Other dates to remember are February 8, 2016, this is the last day you can register to vote in the March Presidential Primary and if you plan on voting by Absentee Ballot and want your ballot mailed, you must submit your application to the Township Office by 2:00 pm on March 5, 2016. As always, please call the Township Office with any questions you may have. In closing, I would like to wish each of you a healthy, happy and prosperous New Year and I hope to see you at the polls!

NEWS FROM THE OFFICE OF THE TREASURER

DAVE CAIN

There are some very exciting happenings in Vienna Township. The BDA is working hard to bring new business and keep the present business district looking good. We welcomed two new insurance agency buildings into the Township, and the possibility of a Hardee's restaurant and an O'Reilly Auto Parts in the near future. New home construction continues to grow at a slower than desired pace, but growth all the same.

The winter tax statements have been mailed, if you have not received a statement for your property please contact the Vienna Township office as soon as possible. Payments may be made in person, with check or money order, at the Township office, or at Independent Bank, 3500 W Vienna Road, Clio (through 2/16/16), or online at www.viennatwp.com (there is a service charge for this service). The Township cannot accept partial payments for taxes. The deadline for winter tax payment is February 16, 2016. There is a 3% penalty for payment between February 17, 2016 and February 29, 2016. After that date ALL 2015 property taxes must be paid at Genesee County Treasurer's office, 1101 Beach Street, Flint, MI 48502-1475, PHONE: (810) 257-3054 or www.gc4me.com/departments/treasurer/s/index.php.

For those business owners and qualifying individuals, Personal Property Taxes (PPT) will be sent out in December and due in February. Though they are gradually being phased out you are still responsible for any new and passed assessed PPT. If you have an outstanding balance I encourage you to contact the Township office to make arrangements for payment. The Township can take partial payments when it comes to delinquent PPT. It is the responsibility of the Treasurer to collect these taxes and by law is given the authority to seize equipment, or other belongings, to cover the cash value. Please don't let it get that far because no one wins in those situations.

Check out the happenings at the Clio Area Senior Center. It is a wonderful place to meet old friends and make new ones. They are always looking for volunteers, new ideas, and new visitors, for fun and fellowship. The Center is located at 2136 W Vienna Road, Clio, Michigan, 48420. The phone number is 810-687-7260.

Reminders:

Recycle bins are available at Township Office for \$6.25 each.

Heavy duty 30 gallon trash bags (100ct box) available at Township Office for \$22.00

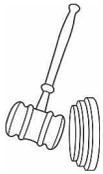

Please contact me with any concerns or questions about our Township. I may not be able to answer every question immediately but I will get you an answer.

Vienna Township Business Development Authority

Light Pole Decorations brought Christmas cheer to Vienna Twp. for the first time on Vienna Rd. from Linden Rd. to Peterson Dr. and the Township Hall. It is a start for Winter Beautification and will continue for the 2016 year with a plan to add more decorations including Linden Rd. If you are interested in participating on the Christmas Decorations committee contact the BDA office at 810-686-3460

Genesee County Garden Tour is taking place in Clio and Vienna Twp. on Sunday, June 26, 2016 from 10AM - 5PM. We invite businesses and organizations to participate by having an event at your business, providing refreshments, sprucing up your landscape and planting flowers curbside. Flower colors in 2016 are: pink, purple, lime green and burgundy. Contact Cheri Johnston at 810-516-0030 for more information.

Vienna BDA initiates new Memorial Gazebo Project:

It has been a vision for BDA Board Member Gerald Stadler to see a Memorial Gazebo project in Vienna Twp. The idea came from a similar project that was done in Hale 6 years ago where the cost of the Gazebo was paid with memorial donations provided by the community and local businesses.

Construction will begin in the spring of 2016 on the vacant property next to the Twp. Hall where the old Township Hall once stood. Plans will include a landscaping design for the first stage of the Memorial Park. A donation of \$25.00 per person can be made to support this project. It is a nice gift idea ☺. Each name will be displayed on a marker that will be placed next to the Gazebo. A dedication will be celebrated upon completion of the project and the names recognized. Business sponsors welcome.
